

# Adilas

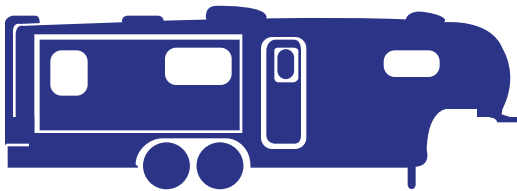

## *Real-Time Accounting*

Accounting for every penny,  
in and out of the dealership.

## *Operations*

Keeping everything in the right  
gear for the right situation.

## *Customer Relations Management*

Manage the relationships that  
matter most to your business  
- your customers.

## *Inventory Tracking*

24 - 7 tracking of every dollar,  
every bolt, and every vehicle.

*Only 30%*  
of what we can do
